

Be  
faster,  
smarter,  
more  
agile.

Join us for our get-together party at productronica 2011!

Looking for better ways to combine speed and flexibility into a single intelligent solution?  
One that provides fully integrated material handling and information management?

To find out how, please drop by and join all of us from MYDATA at productronica 2011 for drinks,  
snacks and a friendly chat on Wednesday, November 16, starting at 6:00 PM in our booth A3 340.
